The Discovery Class

Fellowship Hall A

Taught by Bill Cofer & Chris Tyler

We will engage in different teachings each week highlighting the attributes of God as revealed in the Old and New Testaments. It is in thinking about God in His greatness, in the full array of His attributes, that our minds are enlarged, our lives are reoriented, and our thirst for Him is deepened. Please come and enjoy the fellowship of the Discovery class.... no Bible knowledge is necessary.... just an open heart for the Lord.

"Battle Hymn of the Republic" Hymn History

"Julia Ward Howe wrote these lyrics during the heart of the Civil War. She made no reference to either side of the conflict, only sought to write some wholesome, uplifting words for the tune "John Brown's Body Lies A-Moldering in the Grave." It can be dangerous to identify political causes or even national patriotism with God's Truth. Nations may rise and fall, but God's truth remains the same forever, "His truth is marching on". The text is filled with biblical allusions, Revelations 14:19, "grapes of wrath", Revelations 8, the sounding trumpet for example. For the Christian, the song's message is clear; although circumstances may appear overwhelmingly difficult, God will still accomplish His purposes. His truth will endure eternally. The Complete Book of Hymns, c. 2006
