"All Hail King Jesus" Hymn History

"In 1977, David Moody was giving piano lessons in Vancouver, British Columbia. As he waited for his students to arrive, he went downstairs and began to play and just worship the Lord. He wasn't trying to write a song, he just wanted to spend some time in the presence of the Lord. Suddenly, a melody appeared and just as quickly, he began to sing the words. "All Hail, King Jesus" is really about the second coming of Christ. Moody said, "I could just imagine believers all over the world singing this song as Christ returned to earth. It didn't take long, after publication, for reports of Christians singing it in Israel, Russia, Hungary, and all over the world to start coming in." The Complete Book of Hymns, c. 2006
