The Discovery Class

Fellowship Hall A

Taught by Bill Cofer

We will engage in different teachings each week highlighting the attributes of God as revealed in the Old and New Testaments. It is in thinking about God in His greatness, in the full array of His attributes, that our minds are enlarged, our lives are reoriented, and our thirst for Him is deepened. Please come and enjoy the fellowship of the Discovery class.... no Bible knowledge is necessary.... just an open heart for the Lord.

"There Is A Redeemer" Hymn History

"In 1977, Melody Green, along with her husband, wrote this hymn seeking to rescue others through their music. They used their own radical conversion experiences and their organization called Last Days Ministries as well as their music to reach out to those around them.

Five years earlier, Melody was spaced out on drugs, totally lost. Then she found Christ and wrote this song. Five years later, in 1982, her husband, Keith, and 2 of their 3 children were killed in a plane crash. Melody, at home with the third child was pregnant with their fourth. Despite the devastating tragedy of their deaths, she could still say along with Job in the Old Testament, "I know that my Redeemer lives." The Complete Book of Hymns, c. 2006
