### The Discovery Class

Fellowship Hall A

Taught by Bill Cofer

We will engage in different teachings each week highlighting the attributes of God as revealed in the Old and New Testaments. It is in thinking about God in His greatness, in the full array of His attributes, that our minds are enlarged, our lives are reoriented, and our thirst for Him is deepened. Please come and enjoy the fellowship of the Discovery class.... no Bible knowledge is necessary.... just an open heart for the Lord.

### "Grace Greater Than Our Sin" Hymn History

"Julia Johnston was a Sunday School teacher in Peoria, Illinois and was a noted expert in Sunday School curriculum. Although she also penned more than 500 hymns, this one is the only one widely known. It was written specifically to those who despair of ever having a relationship with God because they fear they can "never be good enough" for God. It powerfully teaches this essential truth: God's grace is far greater than any sin you have committed. All you have to do is receive it." The Complete Book of Hymns, c. 2006
