The Gospel Project - Letters to God's People

Taught by Ron Raymer

Fellowship A

Taught by Lou & Ara Miller

Fellowship B

Do you like to receive personal letters? We mean the old fashioned kind that are written on paper and you open and read. This spring we will have the privilege of opening the New Testament letters written to believers at the time of the apostles, but also written to us. In the Epistles, we will see how the gospel informs every area of our lives; our marriages and families, church relationships, work, how we think, act and talk. We will be reminded that the Holy Spirit indwells each believer to empower us to complete the mission God has for each of us. Please join us as we read, respond and rejoice!
