The Discovery Class

Fellowship Hall A

### Taught by Bill Cofer

We will engage in different teachings each week highlighting the attributes of God as revealed in the Old and New Testaments. It is in thinking about God in His greatness, in the full array of His attributes, that our minds are enlarged, our lives are reoriented, and our thirst for Him is deepened. Please come and enjoy the fellowship of the Discovery class.... no Bible knowledge is necessary.... just an open heart for the Lord.

### "Wonderful Words Of Life" Hymn History

"One of the earnest concerns of many of our present day spiritual leaders is Biblical ignorance of so many church people. Yet, the churches that do teach and preach the Scripture diligently and apply those teachings to everyday life, are the ones that experience the greatest growth. We never outgrow our need for the Bible. It becomes more precious with each passing year. Philip P. Bliss was one of the most important names in the development of early Gospel music. Before his early death at 38, he wrote many well received hymns. This one was first published in a Sunday School paper called "Word of Life." The text still resonates in our lives, both young and old and reminds us of the importance of God's Word." *Amazing Grace* by Kenneth Osbeck. C. 1990.
