### The Discovery Class

Fellowship Hall A

### Taught by Bill Cofer

We will engage in different teachings each week highlighting the attributes of God as revealed in the Old and New Testaments. It is in thinking about God in His greatness, in the full array of His attributes, that our minds are enlarged, our lives are reoriented, and our thirst for Him is deepened. Please come and enjoy the fellowship of the Discovery class.... no Bible knowledge is necessary.... just an open heart for the Lord.

### "All Hail The Power of Jesus' Name" Hymn History

"Sometimes called the "National Anthem of Christendom", this is one of the truly great worship hymns of the church. Written by a young English minister, it has been translated into almost every language where Christianity is known. The strong exuberant lines lead us in heartfelt worship of God each time we sing them. The author, Edward Perronet, came from a family of distinguished French Huguenots who had fled from Switzerland to England to escape religious persecution. He was ordained to ministry in the Anglican church but was always sympathetic to the evangelical movement. Although he wrote a great many other hymns, this is the only one for which he will be remembered." *Amazing Grace* by Kenneth Osbeck. C. 1990.
