The Discovery Class

Fellowship Hall A

Taught by Chris Tyler

We will engage in different teachings each week highlighting the attributes of God as revealed in the Old and New Testaments. It is in thinking about God in His greatness, in the full array of His attributes, that our minds are enlarged, our lives are reoriented, and our thirst for Him is deepened. Please come and enjoy the fellowship of the Discovery class.... no Bible knowledge is necessary.... just an open heart for the Lord.

"Let Jesus Come Into Your Heart" Hymn History

"Lelia and Charles Morris were active in Methodist and Holiness camp meetings in 1898. At one such meeting a woman responded to the altar call with doubts and questions. Lelia answered her with "just now, your doubtings give o'er", to which the song leader added, "just now, reject Him no more" and then, the evangelist added, "Just now, throw open the door" and Lelia finished with "Let Jesus come into your heart". After the meeting, in which the woman did indeed ask Jesus into her heart, Lelia wrote down the words and added music. It was a song that just about wrote itself!"
