The Discovery Class

Fellowship Hall A

Taught by Chris Tyler

We will engage in different teachings each week highlighting the attributes of God as revealed in the Old and New Testaments. It is in thinking about God in His greatness, in the full array of His attributes, that our minds are enlarged, our lives are reoriented, and our thirst for Him is deepened. Please come and enjoy the fellowship of the Discovery class.... no Bible knowledge is necessary.... just an open heart for the Lord.

"Take The Name Of Jesus With You" Hymn History

"Lydia Baxter was a bedridden invalid most of her life and yet people came to visit her who were depressed and downhearted to be cheered up. Christian leaders often met in her home for prayer and Bible study. Lydia loved studying the Scriptures and particularly loved learning the meanings of the Biblical names. The name above all names to her was Jesus. When asked how she could remain so cheerful in her circumstances, she would reply, "I have a special armor that I don when the tempter tries to make me blue or unhappy. It's the very name of Jesus. I just speak His name aloud and the devil can't get through to me anymore. When I am restless and unable to sleep, I ask Him to give me the soothing balm of His presence. He does and I soon drop off into peaceful sleep." Lydia wrote this hymn when she was 61 years of age as a testimony of her life in Christ." The Complete Book of Hymns, c. 2006
