The Discovery Class

Fellowship Hall A

Taught by Chris Tyler

We will engage in different teachings each week highlighting the attributes of God as revealed in the Old and New Testaments. It is in thinking about God in His greatness, in the full array of His attributes, that our minds are enlarged, our lives are reoriented, and our thirst for Him is deepened. Please come and enjoy the fellowship of the Discovery class.... no Bible knowledge is necessary.... just an open heart for the Lord.

"Victory In Jesus" Hymn History

"Eugene Bartley is well known in southern gospel circles. He taught in singing schools and founded Hartford Music Company in 1918. He brought gospel music into churches large and small. But in 1939, he had a major stroke. No more could he teach or travel to encourage churches in their singing. He was virtually confined to his bed. He could still study his Bible, but writing words or music was a major struggle for him. Still, he managed to write one more song, "Victory In Jesus" a song filled with hope and cheer, and also with solid theology gleaned from his Bible study." The Complete Book of Hymns, c. 2006
